Congratulations Simon and Dana (the District 6 - 2021 Family of the Year) on being awarded the 2021 OFSC provincial Family of the Year award at last night's Zoom awards celebration. It was awesome to see your countless hours of volunteering with the club rewarded and recognized with so many other outstanding snowmobiling families. Having you as part of our family sure has made snowmobiling in North Renfrew extra special for all. Thank you once again!
