

[NRSA Annual General Meeting - April 30, 2019](#)

Another snowmobiling season has come to an end. NRSA trails were listed as closed for the season as of April 4, 2019. As one season comes to an end the NRSA volunteers are already busy preparing for the next season.

Please join us for our annual general meeting on Tuesday April 30, 2019 (Chalk River Fire Hall – Kellet Street) beginning at 7:00 pm, to hear what will be happening during the off season for our club as well as other OFSC news. It is a great opportunity to exchange some of your ideas with fellow snowmobiling enthusiasts.

Thanks again for your continuing support
